## Dear Parents:

Summer is here and we are enjoying the warmer weather! Don't forget to dress your child/ren appropriately for the hot weather. Please apply sun block in the morning before coming to school, also if you would like to pack an extra water bottle you may (just don't forget to label it!) With summer here, our outside time is limited. The children only go outside for 15-20 minutes when the temperature is 80-85 degrees. when it starts getting over 100 their outside is limited to 10-15 minutes. If the temperature is over 105, the children are not allowed outside. Even though we won't be spending to much time outside we will be bringing the outside activities indoors!

Every Friday, starting July 11<sup>th</sup> will be splash day, Check with your child's teacher or the front office for more information! We are still running our full curriculum for the summertime which includes reviewing all our numbers, colors, and shapes. We won't be forgetting our ABC's and 123's just because it's summer!!

If you have any questions or suggestions, please feel free to bring them to my attention.
