## Dear Parents:

We have now been open for over a month and things are going great, thanks to our wonderful parents and awesome staff! We still have plenty of room for more friends to join our center; we take ages 9 months to 12 years so please tell your neighbors and friends. We are still scheduling a grand opening event within this month so please listen & look for updates at the center and plan on joining the fun!

Summer is here!! It is getting very warm outside so please remember to dress your child appropriately for the weather and don't forget to pack extra change of clothes for your child's day with us! If sunscreen is needed for your child you will need to go on-line and register it as medication, any questions or problems please see front office and we will be more than happy to help. Our summer camp program has officially started; we go on field trips and do a lot of fun activities at the center also. This program is for 5 years and up, if you are interested or no someone who is please inquire at office and we will give you all the information needed, hope to see you!

Thank You,  
Ms. Melissa
